HIGHLIGHTING OUR PARTNERS

God is at work in Manchester, GA!

Pastors in this city have united, and the churches sponsor a **monthly men's breakfast with 150-180 men** attending!

Robby was invited by our ministry partner, A/G Pastor Rob Shirah, to speak at a special breakfast in July where **Emergency Services personnel were honored** and we shared our vision for chaplaincy outreach.

Pray that God will bless this **fine group of pastors from many denominations** as they seek to reach out to their emergency responders and citizens. Such **unity and compassion** create a great atmosphere for a vital chaplaincy ministry!

Our mission: to recruit, train, and help place volunteer chaplains to serve as "Spiritual First Responders" in Emergency Services departments across the nation.

TRAINING CONTINUES TO EXPAND!

We have just completed another online training course, called **"Introduction to Emergency Medical Services."** This means we now have **5 training courses** available for current and prospective chaplains.

Our **student numbers continue to increase**, and we see a wide variety of students, each with a testimony of how God brought them to us, their spiritual background & qualifications, and their burden to reach the lost and hurting. We see clearly that **this work is not just of man – it is of God!**

We are continuing to write courses and oversee our students' progress as we travel and share the vision for this ministry. **More exciting possibilities are on the horizon!** We need you to pray for God's power to be at work in a variety of situations. Thanks for **your faithful prayers and giving** that make this ministry possible! God bless you!
