

What Do These Courses Cost?

They are currently offered on a donation basis.

Historical: For almost a year we offered our training FREE OF CHARGE. However, we invited approved students to make a donation to help support this ministry. In that year, we received only two donations totaling \$70. We have been encouraged by many to increase the perceived value of this material by charging a fee. However, we do not want this to be about money but rather expanding the influence of the Kingdom of God across our nation and around the world.

Currently: The first course is FREE. After that, we strongly encourage you to make a donation based on your perception of the value of the training you are receiving. If your situation is such that a financial investment is not possible at this time, scholarships are available.

We hope to continue offering these courses WITHOUT CHARGING A FEE. But we need students to make a financial investment in the training they are receiving. You might consider making **a total minimum donation of \$75**. The value of each course is probably worth more than that. Once you see the quality of the training and the service we provide, we trust you will make a donation to help us keep this training available for those coming after you. Please pray and give as the Lord directs.

How do I make the donation? There are a variety of ways that a donation can be sent. 1) You can send your donation through PayPal, 2) you can mail a bank cashier's check, 3) you can mail a money order (Western Union, etc.), and 4) you can mail a personal check. Make donation out to: Chaplain Robby Jernigan, P O Box 701, Marshfield, MO 65706. You may also send your donation through the Assemblies of God Missions Department in Springfield, MO (*call us for special instructions before using this option*).
